# Why enter?

Winning an Award is highly prized by industry clients and suppliers alike and sends the message that your business is dedicated to creativity, innovation and excellence in shopper engagement.

With a broad range of categories, the awards cover all aspects of the industry. Your submission will be judged by an independent panel of esteemed retail and brand professionals.

You will:

- Gain unparalleled recognition for your project on a national and potentially international platform
- Associate with the Award's core values: creativity, innovation and excellence
- Celebrate your team's achievements
- Raise the profile of your business amongst leading retail brands

# **Judging process**

Your work is judged and nominated for an award according to POPAI's set criteria by a panel of esteemed retail and brand professionals.

Each judge is allocated one or more categories. After a preliminary round of judging online, the panel gathers in London for a final day, with full and fair discussion of initial nomination recommendations before a final selection is made. In the first round, entries are scored based on how well they perform against the set judging criteria.

The identities of individual entrants remain undisclosed to judges throughout the duration of the process.

### Judging criteria

Judges are asked to consider several important factors when deciding on whether an entry is worthy of nomination including how well the entry:

- meets the brief and satisfies both brand objectives and shopper needs
- overcomes practical in-store challenges and demonstrates original thinking
- performs in terms of retail impact was it well executed and relevant to its context?
- communicates brand and promotional messages
- performs against key performance measures

Tip

Remember – judges can only critique entries based on the info they are given

Using the whole entry case study, along with photos and video, the judges look for evidence to score your entry out of 10 for each of the applicable criteria in your category from the below:

Criteria	Interpretation of Brief & Marketing Objectives	Design	Materials	Touchpoints	Use of Retail Space	Branding	Performance	Planning	Complexity	Resource Management	Timescale	Production	Supply Chain	Installation	End of Life	Project Impact	Methodology
