UK & IRELAND

AWARDS

2026

- Use high resolution images where possible
- Visuals or technical drawings must only be used if they provide detail not clear from the photograph
- Collages of images are not accepted (except in Shopper Marketing Campaigns, these will not be used as your main image or for any marketing of your entry with POPAI)
- Consider using a before and after image for entries where it may add value to the entry

(Optional) Include a video to demonstrate the practical use of your entry in its retail context, demonstrate a particular feature or bring the entry to life for the judges. **No words or annotations are allowed on video unless annotating a technical element, e.g. hidden bracket.**

Upload your video in MP4 format, a maximum of 1 video of 1 minute in duration and no more than 15MB.

Upload your PDF as proof of shipment/delivery. This may be a statement letter from a brand/retailer, shipment receipt or delivery note.

Any entries which have logos, marks, names, or other identifying features of the entrant in any of the photos or videos submitted, will not have that element submitted to the judges and may be disqualified altogether.

If you want to stop a piece of text appearing on the POPAI website, use this convention: **The secret to our success is [START-HERE] we source our materials from a supplier in Iceland [STOP-HERE] and we don't want customers to know this...** This will then on the PUBLIC PDF appear and POPAI website as: **The secret to our success is ** REDACTED TEXT ** and we don't want customers to know this...**
