A complex network diagram with various icons representing different concepts like education, technology, and business, connected by lines. The icons include a globe with a cursor, a cloud with a cursor, a group of people, an open book with a cursor, a checkmark in a ribbon, a large eye, a gear, a checkmark, a bar chart, a clipboard, a recycling symbol, and a small open book. The network is composed of numerous nodes (circles) of varying sizes and colors (blue, green, teal) connected by thin grey lines, some solid and some dashed, creating a web-like structure. The overall theme is interconnectedness and digital learning.
